CLUB POLICY

April 2023

DRESS CODE

KCC's Board of Trustees has updated and clarified our Dress Code in conjunction with our numerous venues and in response to Member requests to maintain our high standards. The "Code" requires appropriate, country-club attire which is respectful of our Club, its traditions and all of our Members. While a Member's judgment with respect to good taste is the cornerstone of our Dress Code, there are specific requirements and restrictions with respect to each of our venues.

ENFORCEMENT

The Board of Trustees has empowered KCC Managers and Employee Partners to enforce our Dress Code. A Member, members of his or her family and guests whose attire does not comply with our Dress Code will be asked to comply at that time. Failure to comply will result in denial of access to the Clubhouse and Club grounds.

Enforcement by KCC Employee Partners is mandatory, not optional, and will be overseen by our Chief Executive Officer and the Club's Board of Trustees. Failure to comply with the Code or Employee Partner enforcement of the Code will result in the following action:

- First Offense: Asked to comply to the Code.
- Second Offense: Asked to comply to the Code and violation letter sent by club management.
- Third Offense: Asked to comply to the Code, violation letter sent and fine of \$250 paid to the KCC Kares Foundation, and incident turned over to the Grievance Committee.
